

This is a PDF version of our first Class of '59 Reunion booklet. It was copied by Sibyl (Anderson) Acker from her original. Vicki (Swanson) Wassenhove converted it to this format for use on the class website. It was intended to leave the original document verbatim, even though it contains some typos and spelling errors of names. A few "new" errors may be due to incorrect character recognition during the conversion process, but an attempt was made to find and correct those.

The title of the fifth reunion book is printed by hand at the top of a yellow-gold cover and says simply:

"Rocky High 1959 Class"

--History--

Its second page contains this dedication:
